

*Report from the Treasurer
to Fraser Presbytery - month-end May 2009*

1. Jim Massey and I have been meeting to pass on the treasurer's function. He is a blessed servant of the church. I hope you will pass the enabling motions which add him as a signing officer as well as the chief financial agent of the presbytery.

Rev. Jim Massey

2. All assessments have been received until the end of May 2009, save for one. Many, many thanks to the pastoral charge treasurers for their attention to this - it makes it tremendously easier. Two pastoral charges have been noted as a "month ahead", one of them is my error where I didn't return a cheque for the month as requested, but deposited it along with their other cheque. This has been rectified.

3. The amount set aside for the closing of the Resource Centre has been sent and account for by its board. Thank you for your efforts in this sobering time.

4. May was an ordinary month, so not much else to report.

Thank you to all for your support these past years. Hope all goes well for the presbytery meeting.

Cheers,

Stuart Lyster
